Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

Amazing Rubber Band Cars Easy

Amazing Rubber Band Cars is much more than a throwback to the 1950s, when kids made their own toys. Mike Rigsby realizes that you learn more by building than by buying . . . and that home-brewing a cardboard car is just plain fun." —Cliff Stoll, author, *The Cuckoo's Egg*

Amazing Rubber Band Cars: Easy-to-Build Wind-Up Racers ...

The rubber band with Tab A is lying at the back of the car. Place a second rubber band, labeled with Tab B here, on the floor of the car. Move the second rubber band so that it is under the first rubber band, then pull the Tab B end through the first rubber band. Pull the Tab B end through the forward end of the second rubber band until the two rubber bands are tightly linked together.
