What is Commercial Law? | University of Law

In commercial law, a principal is a person, legal or natural, who authorizes an agent to act to create one or more legal relationships with a third party. This branch of law is called agency and relies on the common law proposition *qui facit per alium, facit per se* (Latin "he who acts through another, acts personally".. It is a parallel concept to vicarious liability and strict liability (in ...

How to Become a Commercial Lawyer | The Lawyer Portal

Transactions between those who make their living engaged in commercial buying and selling of goods (often termed “merchants”) are usually regulated by statutes and regulations that are far more streamlined than those typically applicable to contracts with end users who are protected by myriad consumer protection laws. The concept is that merchants are professionals in the buying and ...
