The Specialty Coffee Association is a nonprofit, membership-based organization that represents thousands of coffee professionals, from producers to baristas all over the world.

### **Specialty Coffee Association**

Sensory processing refers to the mechanisms of how we feel. It is how we use what we sense to make sense of the world around us, and it underpins every aspect of human functioning. Everyone processes sensation. The sensory messages we receive from our bodies and the world around us are responded to in every single thing we do in life.
